Delay in sending bills by DESU

958. SHRI S S. AHLUWALIA : Will the Minister of ENERGY be pleased to state :

(a) what is the period fixed by the DESU for its consumers in respect of sending electricity consumption bills,

(b) whether it is also a fact that DESU authorities have not started sending DESU consumption bills to the residents of Vasant Vihar, C.P.W.D. Complex, New Delhi regularly till date;

(c) if so, what are the reasons for this type of inordinate delay, and

(d) by when these consumers will be getting regular consumption bills from DESU authorities after an interval of two or three months to avoid any type of burden in respect of payment of heavy amount ?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER IN THE MINISTRY OF ENERGY (SHRIMATI SUSHILA ROHATGI) : (a) According to Delhi Electric Supply Undertaking, electricity consumption bills for the load below 5 KW are sent to the domestic, non-domestic and small industrial power consumers normally after a period of two months. For other consumers bills are normally sent monthly.

(b) to (d) According to Delhi Electric Supply Undertaking, Vasant Vihar, CPWD Complex is newly developed Government Colony. The process of sending the first bill to a new consumer takes a longer time as a new record has to be prepared. The bills for the month of April, 1987 have already been sent to the consumers of the above Complex excepting for Blocks 'A' & 'B'. The bills to the consumers in these two Blocks are also expected to be sent by the end of November, 1987. The consumers who are issued bills for 4 months instead of 2 months, are allowed to make the payment in two instalments on formal request.
